Checking the HST kronos inswipes for 9/13, these are the only people in around 7am.

Sharon	7:00am
Heiddi	6:50am
Rupa	7:08am
Lee Hardin	7:15am

Can you check building access swipes to see if she actually came into the office herself?

That is local time at the site – so 7 AM Central/ Houston time.

Dennis, is that Eastern time or Central time?

Nancy,

It looks like someone has Artis's credentials. Here is what the database is showing for the sessions on 9/11:

ID User	Status	Cert Date/Time	Cert
33869	CERTIFIED	13-Sep-2012 07:00:58	AELLIS

33874	CERTIFIED	13-Sep-2012 07:01:07	AELLIS
35328	CERTIFIED	13-Sep-2012 07:01:12	AELLIS

For 9/12:

33870	CERTIFIED	13-Sep-2012 07:01:21	AELLIS
33871	CERTIFIED	13-Sep-2012 07:01:17	AELLIS

Regards,

Dennis

Hi Ray and Dennis, I'm not sure who to direct this request to. If it's not either of you can you tell me who to contact?

Someone certified the Houston exam sessions for the 9/11 and 9/12 exams. The certification was probably done on 9/13 between 1:13am and 9:59am.

Can you tell us who (or what computer terminal) was responsible for this? We have a security concern because neither Chris or I did it and the Houston manager was out on medical leave.

Thanks,

CONFIDENTIAL

That's strange, the 9/11 and 9/12 HSt sessions show as uncertified on this report but I just checked in the certification link and they've already been certified. Do you already take care of them? Thanks!
